As a peer-reviewed publication, *Canadian Urological Association Journal* (CUAJ) relies on both national and international experts to provide unbiased, critical reviews — ensuring we continue to publish the highest-quality material. While we want to take this opportunity to thank all who have contributed to the journal this past year, we would like to highlight the following individuals. They have been called upon frequently and have continuously provided timely, in-depth assessments.

## Our top 10 peer-reviewers of 2016 are:

Dr. Rahul Bansal, McMaster Institute of Urology, Hamilton, ON, Canada

Dr. Dimitri Barski, Lukas Hospital Neuss, Germany

Dr. Bimal Bhindi, University Health Network, University of Toronto,
