Urologist

This is an exciting time to join Lakeridge Health. Located in the Greater Toronto Area, and serving Durham Region and its neighbouring communities, Lakeridge Health is the largest centre in the Central East LHIN. We have a strong, expanding surgical program with excellent ancillary support services, including Emergency, ICU, and Interventional Radiology. There is opportunity for a broad-based urologic practice with resources to major urologic procedures, both open and minimally invasive, as well as cystoscopic time. Our strong relationship with the Durham Regional Cancer Centre results in high-quality oncologic care for patients in the Region. Call requirements would be 1 in 6 weekends.
