Dr. Francis René Anthony

Dr. Anthony passed away on Friday, October 18, 2013 at the age of 79. He lived in Moncton, New Brunswick, with his wife and their 3 cats. He was born in Martindale, Mauritius on August 10, 1934, son of Léopold Anthony and Fernande Brunet. He is survived by his wife Marcelle, daughter Sarah (partner: Dan Harrison) of Ottawa and his sister Marie-Thérèse Berthelot of Mauritius. In spite of humble beginnings, Dr. Anthony followed his aspiration to become a doctor, leaving Mauritius to study in India, England and, finally, Canada.

A lover of literature and classical music, he also enjoyed gardening, building computers and baking bread for his family. He was a man of many talents as well as an exemplary husband and father; it is with great sadness that his family says goodbye.

For almost 27 years, Francis was a urologist at the Dr. Georges L. Dumont and the Moncton City Hospitals. He was very passionate about his work and it was with considerable regret that he retired in December 2012 due to health problems.
