support**

the best in paediatric care.

Dedicated exclusively to children and their families,
The Hospital for Sick Children is a world-renowned
state-of-the-art paediatric health care facility affiliated
with the University of Toronto.

Affectionately known as SickKids, the hospital is committed
to ongoing learning and development, and features a caring
and supportive work environment.

SickKids is a paediatric academic health science centre, affiliated with the University of Toronto, dedicated to the care of children.

STAFF SURGEON, Paediatric Urology

The Division of Urology at the Hospital for Sick Children, consist of 5 surgeons and provides medical and surgical care of the entire urological and genital systems for both boys and girls from infancy to adolescence, specializing in surgical problems of the kidneys, the bladder and the genitalia.

In addition to patient care responsibilities, members of the Division are involved in basic and clinical research with appointments in The SickKids Research Institute. The Division is also recognized for including experts in innovative technologies and international surgery.

The Division maintains an International Fellowship Program with four fellows and is part of the University of Toronto residency program.

The successful candidate is eligible for an academic appointment in the Department of Surgery University of Toronto Faculty of Medicine. The successful candidate must be eligible for academic certification with the Royal College of Physicians and Surgeons of Canada and eligible for licensure with the Ontario College of Physicians and Surgeons of Ontario. Salary will be between the range of \$200,000 - \$498,000 for 40 hours work per week, commensurate with qualifications and experience. Benefits include Medical, Dental, Life, Group Insurance, Pension, Vision.

This role requires a robust academic with an international reputation, who has expertise in paediatric urology with extensive experience in transitional care and transplantation. Interested candidates should submit their curriculum vitae by April 30th, 2015, to Dr. Martin Koyle, Chair of the Search Committee, 555 University Avenue, Toronto, Ontario, Canada M5G 1X8. E-mail: lisa.abreu@sickkids.ca.

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups and others who may contribute to further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
