

Advanced Laparoscopic/Robotic and Endourology Fellowship McMaster Institute of Urology at St. Joseph's Healthcare, Hamilton, ON

We are currently accepting applications for the 2017-2018 Laparoscopic and Endourological Fellowship Program.

This Fellowship is open to Canadian urology graduates. The fellow will have the opportunity to work with 5 laparoscopically trained urologists at St. Joseph's Hospital in Hamilton. Over 300 laparoscopic and robotic cases were performed last year at our centre. They will have exposure to basic, advanced and robotic laparoscopic urologic surgery including: laparoscopic pyeloplasty, donor nephrectomies, partial nephrectomies, prostatectomies, adrenalectomies, lymph node dissections, ablative technologies and percutaneous nephrolithotomy with access, and ESWL. A protected research time is provided for the fellow. **Current PGY-4's** interested in this fellowship program should send a cover letter, CV and 2-3 references directly to Dr. Edward Matsumoto Fellowship Director.

Edward D. Matsumoto M.D., M.Ed., F.R.C.S.C.

Associate Professor, Division of Urology, McMaster University,
