

UNIVERSITY
OF MANITOBA

Academic Urologist

**Department of Surgery, University of Manitoba and
Surgery Program, Winnipeg Regional Health Authority**

Position Number: 21670

The Section of Urology, Department of Surgery, College of Medicine, Faculty of Health Sciences at the University of Manitoba and the Surgery Program of the Winnipeg Regional Health Authority, invite applications for a Urologist position commencing **April 1, 2016** or sooner. This will be a contingent geographical full time position. Remuneration is derived from Fee for Service and academic rank will be commensurate with experience and qualifications. The position encompasses inpatient and ambulatory patient care responsibilities and requires individuals with clinical and teaching skills to further the aims of undergraduate and postgraduate teaching, research, and tertiary care medicine. The position will be located primarily at St. Boniface Hospital, with secondary responsibility at other sites within the region. Oncologic urologic patients will be the focus of the practice, but the program incorporates a rich mix of all emergent and elective urologic surgery.

Candidates must have specialty qualifications in Urology in the country of current practice, and must be eligible for registration with the College of Physicians and Surgeons of Manitoba. Certification in Urology by the Royal College of Physicians and Surgeons of Canada is preferred.

Physicians may be eligible to receive a recruitment incentive. Please check with **physicianrecruitment@wrha.mb.ca** for further information.

The City of Winnipeg has a rich cultural environment with symphony, opera, dance, theatre, professional sports and ethnic festivals. The region also provides many opportunities for outdoor recreation in all seasons. Learn more about Winnipeg at **<http://www.city.winnipeg.mb.ca>**.

The University of Manitoba and the Winnipeg Regional Health Authority are strongly committed to equity and diversity within its community and especially welcomes applications from women, members of racialized communities, Indigenous persons, persons with disabilities, persons of all sexual orientations and genders, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

**Dr. Jack McPherson
Department of Surgery
AE101 – 820 Sherbrook Street
Winnipeg, Manitoba, Canada R3A 1R9**

Application materials, including letters of reference, will be handled in accordance with the protection of privacy provisions of “The Freedom of Information and Protection of Privacy Act” (Manitoba). Please note that curriculum vitae may be provided to participating members of the search process.

Closing Date: March 31, 2016
