

**University of Alberta/Alberta Health  
Services, Edmonton Zone**

**Department of Surgery–Division of Urology**

The University of Alberta, Faculty of Medicine & Dentistry, Department of Surgery, in partnership with Alberta Health Services – Edmonton Zone, is inviting applications to the Division of Urology, Department of Surgery for an Academic Urologist with an expertise in Andrology, Infertility and Male Sexual Health. Located in Edmonton, Alberta, Canada, the Faculty is internationally recognized as among the world's top 50 medical schools and as one of Canada's premier health-education institutions. The Division of Urology is located at the state of the art Northern Alberta Urology Centre at the Kaye Edmonton Clinic. Hospital locations include the University of Alberta Hospital, the Royal Alexandra Hospital as well as the Misericordia Hospital. This position also requires collaboration with Infertility Specialists at the Pacific Centre for Reproductive Medicine and the Lois Hole Hospital for Women.

The successful candidate will build upon the clinical expertise that currently exists within the Division of Urology. They would be expected to take part in clinical care, clinical outcomes research, education of students and residents as well as administrative duties. This appointment includes Acute Urologic Care cover on call. Applicants should have a proven record of research achievement. A strong commitment to education at the undergraduate and postgraduate level will also be expected.

The successful candidate will have an MD and completed formal fellowship training in the field of Andrology, Infertility and Male Sexual Health through an approved fellowship program and will ideally hold or be completing a graduate degree in Surgical Research, Education or Administration. Candidates should hold or be eligible for certification in Urology by the Royal College of Physicians and Surgeons of Canada.

This position will be at the Special Continuing Academic rank of Assistant Professor and remuneration will be based on fee-for-service through Alberta Health Services.

Consideration of applications will continue until the position is filled. Interested applicants should arrange to have a current curriculum vitae, a two page statement of research interests and three references forwarded to:

**Dr. Trevor Schuler**  
**Director Division of Urology**  
**ts9@ualberta.ca**

*We thank all applicants for their interest, only those individuals selected for an interview will be contacted. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.*
