

Urologist Position

MIRAMICHI REGIONAL HOSPITAL

Horizon Health Network is actively seeking a Urology specialist for Miramichi, New Brunswick. We would have particular interest in a Urologist with laparoscopic expertise. This opportunity would be open to both new graduates and experienced physicians. The core responsibilities of this position are a comprehensive full-time community-based practice in urology providing both inpatient and outpatient services, and participation in the on-call rota.

Royal College certification preferred, but consideration will be given to other comparable qualifications. Candidates must be eligible for an unsupervised licensure with the College of Physicians and Surgeons of New Brunswick, and would need to be in possession of adequate credentials to obtain medical staff privileges. Candidates must have acceptable liability coverage (eg. CMPA).

The Miramichi area consists of the city of Miramichi, and surrounding villages, and provides health care services to the Northumberland county area, with a catchment of over 45,000 patients. The Miramichi Regional Hospital is a 161-bed hospital with a full range of primary care and specialty services. The medical staff of about 75 members includes primary care physicians, surgeons, internists, anesthetists, pediatricians, radiologists, pathologists, ob/gyns and other specialties.
