

Winnipeg Regional Health Authority Office régional de la santé de Winnipeg

Caring for Health À l'écoute de notre santé

**UROLOGIST
SURGERY PROGRAM
WINNIPEG REGIONAL HEALTH AUTHORITY**

The Winnipeg Regional Health Authority Surgery Program invites applications for an Urologist commencing July 1st, 2018 or sooner. This position will join a group of 19 Academic and Community Urologists in the Regional Urology Section.

The position encompasses inpatient and ambulatory patient care responsibilities. Operative resources will be primarily at Victoria General Hospital and Grace General Hospital. Call requirements are based out of these two hospitals and will be divided proportionally amongst group members. The Surgeon is expected to participate in the M&M, quality assurance, and Journal Club rounds, organized by the Urology section. Remuneration is derived from Fee for Service income.

Candidates must have specialty qualifications in Urology in the country of current practice, and must be eligible for registration with the College of Physicians and Surgeons of Manitoba. Certification in Urology by the Royal College of Physicians and Surgeons of Canada is preferred.

Physicians may be eligible to receive a recruitment incentive. Please check with physicianrecruitment@wrha.mb.ca for further information.

The City of Winnipeg has a rich cultural environment with symphony, opera, dance, theatre, professional sports and ethnic festivals. The region also provides many opportunities for outdoor recreation in all seasons. Learn more about Winnipeg at <http://www.city.winnipeg.mb.ca>.

The Winnipeg Regional Health Authority is strongly committed to equity and diversity within its community and especially welcomes applications from women, members of racialized communities, Indigenous persons, persons with disabilities, persons of all sexual orientations and genders, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.
