

Full-Time Urologist Opportunity

Department of Surgery, Division of Urology

At Scarborough Health Network (SHN), the patient experience comes first. With three hospital sites (Birchmount, General, and Centenary) and five satellite sites, SHN provides a broad spectrum of health services to one of the most diverse communities in Canada. Created through a merger of The Scarborough Hospital's Birchmount and General sites and Rouge Valley Health System's Centenary site in December 2016, SHN is committed to delivering the highest quality patient- and family-centred care, with a focus on enhancing access to services for the Scarborough community.

Patient services include a full-service Emergency department at each site, advanced maternal and neonatal care in state-of-the-art birthing centres, and specialized paediatric care. In addition, SHN is home to a number of regional programs serving the central east Greater Toronto Area and beyond, including cardiac care, nephrology, vascular surgery, and vision care, and is recognized as a centre of excellence in orthopaedic surgery, cancer care, and mental health.

The Department of Surgery, Division of Urology, at Scarborough Health Network is seeking a full-time urologist to provide comprehensive urological services and to join a team of 9 other full-time urologists who provide 24/7 call coverage across 3 sites. The successful candidate will be working with a strong, supportive and collegial group of colleagues in a three-site community hospital organization committed to providing high quality, comprehensive clinical services.

The urology OR is fully equipped for endoscopic, laproscopic, and open procedures. Additional procedure rooms are allocated for cystoscopy and minor procedures under local anesthetic.

The successful candidate must be registered or eligible for licensure with the College of Physicians and Surgeons of Ontario, and have successfully completed a fellowship in Urology with the Royal College of Physicians and Surgeons of Canada. Additional subspecialty fellowship training would be an asset.
