

Brand New Urology Program Seeking Two Full-Time Urologists

Available Positions:

Chatham-Kent Health Alliance (CKHA) is thrilled to be building a brand new urology program including all new equipment, and is currently welcoming applications. We are recruiting two full-time Urologists to help shape the future of the program.

Schedule and Compensation:

CKHA is excited to offer a unique opportunity to urologists wanting to join a brand new program. With 1 OR day per week, 1 Cystoscopy day per week and 1 Ambulatory Care day per week, this opportunity will result in excellent compensation. Between on call days, in-hospital work, and a long waiting list of patients, the successful candidate will not struggle for work! All call is eligible for HOCC payments made directly to the physician.

About CKHA:

We are proud to offer more than you would think! CKHA is a 200-bed hospital located in Southwestern Ontario with a catchment population of over 100,000. We offer a full range of medical and diagnostic services including CT, MRI, and 24- hour laboratory, diagnostic imaging and respiratory therapy services. In addition to this new Urology program, we also offer specialty services in Internal Medicine, Emergency Medicine, ENT, Orthopaedic and General Surgery, Anesthesia, Psychiatry and OB/GYN.

Our Community:

Situated between two fresh water lakes and located below the snow belt, Chatham-Kent offers a great climate and a variety of activities for people of all ages and interests. We are a short drive from Detroit, Windsor and London and have a direct VIA train route to Toronto which allows for many international travel options.

You can live the dream without breaking the bank, with housing prices a fraction of those in comparative locations. Currently, the average home is selling for \$824,336 in Toronto, \$343,939 in London and only \$208,550 here in Chatham-Kent.

Contact:

Do you want to learn more about this unique opportunity? Selected candidates will be welcomed for an expenses-paid site visit so you can meet the team and tour the community.
