

Urologist - Keene, New Hampshire

A generous relocation package and visa sponsorship are available

Cheshire Medical Center – Dartmouth-Hitchcock Keene is seeking a BC/BE Urologist to join a well-established practice with collegial surgeons. We are seeking a candidate who is a strong, well-rounded, surgeon comfortable with handling a wide range of community urologic medical and surgical issues. Cheshire Medical Center is a Level three-trauma center. This hospital campus is looking forward to providing robotic surgery in the near future. The hospital provides care as a regional referral center and is an integral partner in the growing Dartmouth-Hitchcock System. This is an excellent opportunity for a surgeon looking to practice in a busy and collaborative setting that has academic integration.

Opportunity includes:

- Supportive and experienced staff
- Academic affiliation with a prestigious academic institution, Dartmouth-Hitchcock Medical Center
- Competitive salary
- Excellent benefits package
- Collaborative care model

Qualifications:

- Board Certified/Board Eligible in Urology
- Must obtain and maintain a medical license in the State of New Hampshire

The community of Keene is a picturesque, college-town in the Monadnock Region of Southwestern New Hampshire. NH boasts no income or sales tax. The cost of living, stable real estate market and excellent schools and neighborhoods makes Keene an ideal place to call home. The Dartmouth-Hitchcock Medical Center in Lebanon, NH has been consistently ranked by the U.S. News and World Report as One of America's Best Hospitals.

Dartmouth-Hitchcock Clinic Keene is a 150-physician and associate provider, multi-specialty community practice associated with the teaching hospital, Dartmouth-Hitchcock Medical Center and the Geisel School of Medicine. The Clinic is a nationally recognized leader in population health and is a diverse group of professionals committed to quality and patient safety, continuous process improvement, integrative medicine and value-based care. Cheshire Medical Center is a 169-bed, Level III community hospital. It is only the 14th hospital ever to be named an American Hospital Association "Living the Vision" awardee (2013) and is a prior New Hampshire Healthcare Business of the Decade.
