## ***Assistant or Associate Professor (Clinical)***

---

Faculty of Medicine – Department of Surgery, Division of Urology/McGill  
University Health Centre (MUHC)

---

### **Position description**

The McGill Department of Surgery in the Faculty of Medicine is seeking applications for a full-time Contract Academic Staff position at the rank of Assistant or Associate Professor (Clinical) in the Division of Urology. Professorial rank will be according to the candidate's qualifications and experience. The successful candidate will have demonstrated leadership and excellence in research, teaching, and in the clinical field of urology. This position does not confer eligibility for tenure.

Canada's most international university, McGill is located in vibrant, multicultural Montreal in the francophone province of Quebec. The Department of Surgery is proud of its achievements in the areas of patient-centered surgical care, teaching, research, and evaluation of technology. The Division of Urology is a leader in the delivery of Urologic Oncology care in the province of Quebec. Clinical services are provided primarily through two hospitals on the Island of Montreal: The McGill University Health Centre (MUHC) and the Jewish General Hospital (JGH).

### **Job Duties**

The applicant will be primarily located at the McGill University Health Centre – Royal Victoria Hospital but will also work on occasion at the Jewish General Hospital. The candidate is expected to spend at least 20% of their time involved in research activities and the remaining time will be dedicated to clinical duties such as outpatient clinics and performing surgery. Startup funding including a research stipend may be available to a suitable candidate allowing for protected research time. The candidate shall also to be involved in the teaching of medical students, residents, and fellows, and will be expected to create a program in MRI-based diagnosis and focal therapy of prostate cancer.

### **Qualifications and Education Requirements**

- Must have completed an approved Urology residency.
  - Must be certified or eligible to be certified in Urology.
  - Must hold an MD and be eligible for licensure in Quebec.
-

- Must have completed a Fellowship in Urologic Oncology and have demonstrated expertise in image-based diagnosis of prostate cancer and focal therapy of prostate cancer.
- A strong research background is required.

*McGill University is committed to equity and diversity within its community and values academic rigour and excellence. We welcome and encourage applications from racialized persons/visible minorities, women, Indigenous persons, persons with disabilities, ethnic minorities, and persons of minority sexual orientations and gender identities, as well as from all qualified candidates with the skills and knowledge to engage productively with diverse communities.*

*At McGill, research that reflects diverse intellectual traditions, methodologies, and modes of dissemination and translation is valued and encouraged. Candidates are invited to demonstrate their research impact both within and across academic disciplines and in other sectors, such as government, communities, or industry.*

---

*McGill further recognizes and fairly considers the impact of leaves (e.g., family care or health-related) that may contribute to career interruptions or slowdowns. Candidates are encouraged to signal any leave that affected productivity, may have had an effect on their career path. This information will be considered to ensure the equitable assessment of the candidate's record.*

*McGill implements an employment equity program and encourages members of designated equity groups to self-identify. It further seeks to ensure the equitable treatment and full inclusion of persons with disabilities by striving for the implementation of universal design principles transversally, across all facets of the University community, and through [accommodation policies and procedures](#). Persons with disabilities who anticipate needing accommodations for any part of the application process may contact, in confidence, this [email](#) or phone at 514-398-2477.*

*All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadians and permanent residents will be given priority.*
