APPENDIX A

Urologist survey

Survey for section dealing with small-to-moderate prostates (30-80ml)

For each question, please circle the answer that best describes how you personally feel after reviewing this patient decision aid.

1) The language used was easy to follow.

<table>
<thead>
<tr>
<th>Strongly disagree</th>
<th>Disagree</th>
<th>Neutral</th>
<th>Agree</th>
<th>Strongly agree</th>
<th>Prefer not to answer</th>
</tr>
</thead>
</table>

1.1) Do you have any additional comments about the language of this patient decision aid?

________________________________________________________________________________________

2) The amount of information provided was:

<table>
<thead>
<tr>
<th>Much less than wanted</th>
<th>A little less than wanted</th>
<th>About right</th>
<th>Little more than wanted</th>
<th>Much more than wanted</th>
<th>Prefer not to answer</th>
</tr>
</thead>
</table>

2.1) Do you have any additional comments about the amount of information provided in this patient decision aid?

________________________________________________________________________________________

3) The length of the decision aid was:

<table>
<thead>
<tr>
<th>Too short</th>
<th>Just right</th>
<th>Too long</th>
<th>Prefer not to answer</th>
</tr>
</thead>
</table>

3.1) Do you have any additional comments about the length of this patient decision aid?

________________________________________________________________________________________

<table>
<thead>
<tr>
<th>Strongly disagree</th>
<th>Disagree</th>
<th>Neutral</th>
<th>Agree</th>
<th>Strongly agree</th>
<th>Prefer not to answer</th>
</tr>
</thead>
</table>

4.1) Do you have any additional comments on this regard?

______________________________________________________________

5) I found the decision aid favored:

- [ ] Monopolar TURP
- [ ] Bipolar TURP
- [ ] GreenLight Vaporization
- [ ] Enucleation
- [ ] Rezum
- [ ] Urolift
- [ ] Aquablation
- [ ] Well balanced

5.1) Do you have any additional comments on this regard?

______________________________________________________________
Survey for section dealing with moderate-to-large prostates (80–150 ml)

For each question, please circle the answer that best describes how you personally feel after reviewing this patient decision aid.

1) The language used was easy to follow.

<table>
<thead>
<tr>
<th>Strongly disagree</th>
<th>Disagree</th>
<th>Neutral</th>
<th>Agree</th>
<th>Strongly agree</th>
<th>Prefer not to answer</th>
</tr>
</thead>
</table>

1.1) Do you have any additional comments about the language of this patient decision aid?

____________________________________________________________________________________

2) The amount of information provided was:

<table>
<thead>
<tr>
<th>Much less than wanted</th>
<th>A little less than wanted</th>
<th>About right</th>
<th>Little more than wanted</th>
<th>Much more than wanted</th>
<th>Prefer not to answer</th>
</tr>
</thead>
</table>

2.1) Do you have any additional comments about the amount of information provided in this patient decision aid?

____________________________________________________________________________________

3) The length of the decision aid was:

<table>
<thead>
<tr>
<th>Too short</th>
<th>Just right</th>
<th>Too long</th>
<th>Prefer not to answer</th>
</tr>
</thead>
</table>

3.1) Do you have any additional comments about the length of this patient decision aid?

____________________________________________________________________________________

4) I agree with the outcomes reported (rates of Benefits and Risks).

<table>
<thead>
<tr>
<th>Strongly disagree</th>
<th>Disagree</th>
<th>Neutral</th>
<th>Agree</th>
<th>Strongly agree</th>
<th>Prefer not to answer</th>
</tr>
</thead>
</table>
4.1) Do you have any additional comments on this regard?

5) I found the decision aid favored:

- GreenLight Vaporization
- Enucleation
- Aquablation
- Open Prostate Removal
- Robotic Prostate Removal
- Well balanced

5.1) Do you have any additional comments on this regard?
Bouhadana et al. Evaluating the acceptability of an online patient decision aid for the surgical management of lower urinary tract symptoms secondary to benign prostatic hyperplasia

Survey for section dealing with large prostates (>150 ml)

For each question, please circle the answer that best describes how you personally feel after reviewing this patient decision aid.

1) The language used was easy to follow.
