### Dr. Eric Freedman

The CUA is mourning the loss of Dr. Eric Freedman, who passed away in September while hiking in Yosemite National Park. He is survived by his wife Nancy, and his children Sarah and Josh, as well as his extended family.

Dr. Freedman completed his urology residency at Dalhousie University and practiced urology in Victoria, BC, and later Fredonia, NY. Most recently and for close to 18 years, he served the California communities of Sonora and Folsom as a urologist at Advanced Urology.

A CUA member since 1993, in 1995–96, Dr. Freedman served as the CUA Local Organizing Committee Chair. He was also the first Secretary/Treasurer of the Pediatric Urologists of Canada (PUC) and created the PUC logo.

Dr. Freedman made a lasting impression on all those who knew him and he will be deeply missed.
