

*Bouhadana D, et al. Introducing the Canadian Urology Student Interest Group (CUSIG): Initial experience from a national webinar with recently matched Canadian urology residents for medical students*

## APPENDIX

### CUSIG post-event survey, based on Nguyen et al<sup>8</sup>

#### **Baseline demographics**

1. Age (Short answer)
  2. Gender (Short answer)
  3. School (List of Canadian schools, then US/IMG/Other)
  4. Expected year of graduation
- 
- 1) **How enjoyable was the event?** (1: Not enjoyable, 2: Somewhat enjoyable, 3: Enjoyable 4: very enjoyable, 5: extremely enjoyable)
  - 2) **I consider urology as my future career** (1: strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: strongly agree)
  - 3) **I have easy access to mentors within the specialty of urology:** (1: strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: strongly agree)
  - 4) **I have easy access to networking opportunities within the specialty of urology:** (1: strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: strongly agree)
  - 5) **How has your interest in pursuing a career in urology changed after the event?** (1: much less interested, 2: slightly less interested, 3: no change, 4: very interested, 5: extremely interested)
  - 6) **Rate how important you think networking is for a successful match** (1: not important, 2: slightly important, 3: important, 4: very important, 5: extremely important)
  - 7) **How likely are you to attend next year's post-match talk?** (1: very unlikely, 2: somewhat likely, 3: likely, 4: very likely, 5: extremely likely)
  - 8) **How stressed did you feel before the event?** (1: not stressed, 2: somewhat stressed, 3: stressed, 4: very stressed, 5: extremely stressed)
  - 9) **How stressed did you feel after the event?** (1: not stressed, 2: somewhat stressed, 3: stressed, 4: very stressed, 5: extremely stressed)

***Bouhadana D, et al. Introducing the Canadian Urology Student Interest Group (CUSIG): Initial experience from a national webinar with recently matched Canadian urology residents for medical students***

- 10) Rate your knowledge of the following aspects of the CaRMS application process:** (1: very poor; 2: somewhat poor, 3: poor, 4: very poor, 5: extremely poor)
- a) Options if unmatched
  - b) Personal letters
  - c) Interviews
  - d) Research/publications
  - e) Reference letters
  - f) Elective choices
- 11) I have thorough knowledge about the urology residency programs in Canada:**(1: strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: strongly agree)
- 12) I know where I would want to apply for a residency spot in urology:** ((1: strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: strongly agree)
- 13) I feel that I have received thorough education in urology throughout my medical school experience:**(1: strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: strongly agree)
- 14) I feel that I have adequate resources to improve my knowledge in urology:** (1: strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: strongly agree)
- 15) I support the creation of a country-wide Canadian Urology Student Interest Group:** (1: strongly disagree, 2: disagree, 3: neutral, 4: agree, 5: strongly agree)
- 16) Suggestions for future events** (short answer)
