

Chua et al Enhancing surgical capacity in the low- to middle-income countries: An initial report of a Global Surgery Partnership Initiative in pediatric and reconstructive urology using a mixed-method approach

APPENDIX

Case summary of procedures			
Year	Site	Procedure category	Procedure
2021	SLMC-QC	3	Laparoscopic Malone Antegrade Continent Enema Procedure
2021	SLMC-QC	3	Lap 1 stage orchidopexy right and excision of nubbin left; 1st stage hypospadias repair with preputial graft and dorsal plication
2021	SLMC-QC	3	Cystoscopy vaginoscopy, ureteral intubation of upper pole. Retro-peritoneoscopy with Left ureteral clipping of upper pole ureter
2021	SLMC-QC	3	Cystoscopy, Urethroplasty with lateral wall buccal graft augmentation
2021	SLMC-QC	3	Cystoscopy, Urethroplasty with EPA
2022	SLMC-QC	2	Diagnostic Laparoscopy, Left staged Fowler Stephen orchidopexy, right laparoscopic orchidopexy
2022	SLMC-QC	2	Left inguinal Orchidopexy, Circumcision
2022	SLMC-QC	3	Redo Urethroplasty with excision primary anastomosis
2022	SLMC-QC	3	Laparoscopic cystorrhaphy, cystourethroscopy, Vaginal approach bladder/vaginal injury repair with Martiuz flap
2022	SLMC-QC	3	First stage hypospadias repair with buccal graft, urethrotomy, dorsal plication
2022	SLMC-QC	3	Bladder augmentation with Ileocystoplasty
2023	PGH	3	Antegrade Cystourethroscopy, urethral stone extraction, Excision end to side primary anastomosis
2023	SLMC-QC	3	Primary Hypospadias repair with inlay preputial graft urethroplasty, spongioplasty, double layer dartos flap closure
2023	SLMC-QC	3	Cut down fistulotomy, penoscrotal transposition reconstruction, panniculectomy- suprapubic fat excision, realignment of penopubic skin and peno scrotal junction, suspensory ligament release and resuspension, Extended Byars flap reconstruction
2023	SLMC-QC	3	Adhesiolysis, ileal segment harvest, bowel re-anastomosis (Gen Surg), Monti creation, cystorrhaphy, continent catheterizable stoma creation
2023	SLMC-GC	3	Cystoscopy, Vaginoscopy, antegrade and retrograde
2023	SLMC-GC	3	Staged Hypospadias repair, corporotomy, Dorsal plication, Preputial graft Onlay,
2023	SLMC-QC	3	Adhesiolysis, Ileal Ureter with reimplantation
2023	SLMC-QC	3	Hypospadias Repair with Dorsal Plication x 2, Preputial Graft Inlay, second layer spongioplasty, Single layer Dartos Flap coverage

Chua et al Enhancing surgical capacity in the low- to middle-income countries: An initial report of a Global Surgery Partnership Initiative in pediatric and reconstructive urology using a mixed-method approach

2024	SLMC-QC	1	Diagnostic VCUG review
2024	SLMC-QC	1	MRI review
2024	Viet-CH	1	Urodynamic study procedure and reading
2024	Viet-CH	1	Cystoscopy deflux injection left (DHIT)
2024	Viet-CH	2	Microsurgical Varicocelectomy with doppler
2024	Viet-CH	2	laparoscopic first stage Stephen Fowler orchidopexy
2024	Viet-CH	2	Scrotal Bianchi orchidopexy
2024	Viet-CH	2	Bilateral Bianchi orchidopexy
2024	SLMC-QC	3	Redo hypospadias
2024	SLMC-QC	3	Laparoscopic Mitrofanoff with Malone Antegrade Continent Enema
2024	SLMC-QC	3	Laparoscopic Vascular Hitch Left
2024	Viet-CH	3	Laparoscopic assisted Mitrofanoff
2024	Viet-CH	3	Partial urogenital and vaginal mobilization, clitoray reduction (non-corporal sparing)
2024	Viet-CH	3	Hypospadias repair with Inlay preputial graft, dorsal plication
2024	Viet-CH	3	Urogenital Mobilization Partial, Vaginoplasty and labial reconstruction. Clitoral reduction c/o Dr. Hung
2024	PGH	3	Lipectomy, second stage hypospadias repair with leak test and scrotal and pubic junction fixation, additional dorsal plication
2024	SLMC-QC	3	Cystoscopy, J stent removal ureteroscopy, Ureterocalycostomy, antegrade J stent insertion
2024	SLMC-QC	3	second stage hypospadias repair, urethroscopy for prominent utricle
2024	SLMC-QC	3	Urethrocutaneous fistula repair x 2 with meatoplasty and calibration
